

RIDER- BRAINWASHED

Technical / Hospitality

1. Technical Rider

*This technical rider forms part of the booking agreement and describes the minimum technical requirements for the performance of **BRAINWASHED**.*

The promoter / organizer is responsible for ensuring that all equipment is installed correctly and fully operational before the artist arrives.

DJ Equipment:

The following DJ setup must be provided:

- 1 x Pioneer **DJM-900NXS2** mixer or **DJM-A9** mixer
- 3 x Pioneer **CDJ** players

Preferred setup CDJ players:

- **Pioneer CDJ-3000** (recommended)
- **Pioneer CDJ-2000NXS2** (acceptable)

Requirements:

- All players must be **properly linked via Pro DJ Link**
- Equipment must be **fully tested before the performance**
- Firmware must be **up to date**
- All USB ports must be working

*Brainwashed performs using **USB drives prepared in Rekordbox**.*

No laptop setup is required.

Monitoring:

The DJ booth must include:

- **Minimum 2 monitor speakers**
- 1 on the **left**
- 1 on the **right**

Requirements:

- Clear sound at DJ position
- Independent volume control preferred
- Bass support via **subwoofer near DJ booth**

DJ Booth:

The DJ booth must be:

- **Stable and vibration free**
- Properly lit (soft lighting so the DJ can see the equipment)

*If the DJ booth is positioned **higher than standard height**, a **step or platform** must be provided to ensure an ergonomic working position.*

Technical support:

A **qualified technician** must be present during the entire event, or be immediately available, in order to provide **technical assistance in case of technical issues or emergencies**.

2. Hospitality Rider

*This hospitality rider forms part of the booking agreement and describes the minimum hospitality requirements for the performance of **BRAINWASHED**.*

The promoter / organizer is responsible for providing the following hospitality arrangements.

Artist Access:

The artist and accompanying team must receive:

- **Artist / backstage access**
- Access to the **DJ booth**
- Access to the **artist area or backstage area**

The organizer must ensure that unauthorized persons do not enter the DJ booth.

Backstage / Artist Area:

A clean and secure **backstage or artist area** must be provided.

This area should include:

- seating (chairs or couch)
- table
- safe place for personal belongings
- access before and after the performance
- clean and properly maintained toilet must be available *(near the DJ booth or backstage area)*

*The backstage area must be **clean, comfortable and separated from the public area whenever possible**.*

Drinks and Food:

The following drinks must be provided for the artist:

- 4 x bottles of **still water**
- 6 x **energy drinks** (Red Bull or equivalent)
- 1 x **Bottle Eristoff Red**

*Drinks should preferably be available **in the DJ booth or backstage area**.*

For **longer events or late performances**, the organizer is kindly requested to provide:

- light snacks
- or
- a simple meal

This can include items such as sandwiches, fruit, or warm food depending on the event schedule.

Guest List:

The artist may request **guest list access for up to [X] persons**.

The exact number will be agreed upon with the organizer before the event.

Parking:

Secure parking should be available **as close as possible to the venue entrance**.
